Police/PACT Priorities for next month	Millenium Green	

Any other Information:

RJ conference for the damage done on the Millennium Green:

Our RJ conference won RJ of the Month for September 2009! And now we have been entered in for RJ of the year! We are attending a large conference next week to inform fellow colleagues of our efforts and the success that the RJ brought.

Funding for the PACE car has been refused by LANPAC so we are trying to find other partners to fund our initiative.

Funding for the gates across the top of the village hall car parks has been granted! They should be erected in January 2010.

Next meeting is on Tue 12th Jan.

Merry Christmas and a Happy New Year from us!
